In re Application of	:
Alexander Gantman et al.	:
Application No. 10/625,710	:
Filed: July 22, 2003	:
Attorney Docket Number:	:
030464B1/QUALP1020USB	:
Title: DIGITAL AUTHENTICATION	:
OVER ACOUSTIC CHANNEL	:

This is a decision on the petition pursuant to 37 C.F.R. § 1.137(b), filed June 30, 2008, to revive the above-identified application.

Receipt of the concurrently submitted terminal disclaimer to obviate a non-statutory double patenting rejection, along with the associated fee, is acknowledged.

This petition pursuant to 37 C.F.R. § 1.137(b) is **GRANTED**.

The above-identified application became abandoned for failure to reply in a timely manner to the non-final Office action, mailed November 20, 2007, which set a shortened statutory period for reply of three months. No response was received, and no extensions of time under the provisions of 37 C.F.R. § 1.136(a) were requested. Accordingly, the above-identified application became abandoned on February 21, 2008. A notice of abandonment was mailed on May 30, 2008.

A grantable petition pursuant to 37 C.F.R. § 1.137(b) must be accompanied by:

- (1) The reply required to the outstanding Office action or notice, unless previously filed;
- (2) The petition fee as set forth in 37 C.F.R. § 1.17(m);
- (3) A statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional. The Commissioner may require additional information where there is a question whether the delay was unintentional, and;
- (4) Any terminal disclaimer (and fee as set forth in 37 C.F.R. § 1.20(d)) required pursuant to paragraph (d) of this section.

With this petition, Petitioner has submitted the petition fee, an amendment, and the proper statement of unintentional delay. A terminal disclaimer disclaiming a terminal part of the term of any patent granted thereon equivalent to the period of abandonment of the application is not required. As such, the first three requirements of Rule 1.137(b) have been met. The fourth requirement is not applicable.

The Technology Center will be notified of this decision. The Technology Center's support staff will notify the Examiner of this decision, so that the amendment that was received on June 30, 2008 can be processed.

Petitioner may find it beneficial to view Private PAIR within a fortnight of the present decision to ensure that the revival has been acknowledged by the Technology Center in response to this decision. It is noted that all inquiries with regard to any failure of that change in status should be directed to the Technology Center where that change of status must be effected - **the Office of Petitions cannot effectuate a change of status.**

It is noted that the address listed on the petition differs from the address of record. The application file does not indicate a change of correspondence address has been filed in this case, although the address given on the petition differs from the address of record. If Petitioner desires to receive future correspondence regarding this application, the change of correspondence address must be submitted. A courtesy copy of this decision will be mailed to Petitioner. However, all future

correspondence will be directed to the address of record until such time as appropriate instructions are received to the contrary. Petitioner will not receive future correspondence related to this application unless Change of Correspondence Address, Patent Form (PTO/SB/122) is submitted for the above-identified application. For Petitioner's convenience, a blank Change of Correspondence Address, Patent Form (PTO/SB/122), may be found at <http://www.uspto.gov/web/forms/sb0122.pdf>.
